## INFORMACIÓN GENERAL

The UAH's Master in Finance and Banking has been ranked as one of the top financial Masters in Spain several times. Taught by professionals and with a practical approach, the programme aims to develop a new generation of finance analysts.

You will have the advantage of learning from leaders in the fields of Corporate Finance, Financial Markets and Risk Management.

The Master in Finance and Banking has been specifically designed for international young professionals with a high development potential and a strong profile in the areas of Finance and Banking.

Our graduates are well prepared for jobs in the finance industry, such as banking, investment banking, fund management and the area of consultancy. Graduates have pursued careers all over the world.

- An OFFICIAL DEGREE in finance and banking that, upon completion, allows you to undertake a PhD programme.
- ACCREDITED BY THE SPANISH NATIONAL SECURITIES MARKET COMMISSION (CNMV) to inform and advice on financial services, according to MiFID II.
- An INTERNATIONAL and MULTICULTURAL setting, with classmates from all over the world.
